Thankful for YOU!

We know that holidays look very different this year. It's hard to miss all the little things with your children, such as class celebrations. Daily, our teachers work with

your little ones, teaching and loving them, helping them to enjoy each day and celebrate holidays. We give thanks to all of our families for trusting us to love your children every day!

COVID-19 Reminders

As we enter the holiday season, we want to take the time to remind you about our everyday policies and procedures. Remember that if you are having ANY COVID-19 related symptom you need to speak to the leadership team prior to coming to school. We must take each situation on a case-by-case basis in order to keep everyone as safe as possible.

Please refer to the latest (as of December 10, 2020) NC Childcare Toolkit for any questions.

Little Free Library

We are so excited about the upcoming addition of our free little libraries! ACWLC hopes to have one Little Free Library at each of our four schools, with your help!

A huge THANK YOU to those that have already volunteered to build a library!! We can't wait to put these libraries to good use! If you are handy and would be willing to build a library, please contact your school's Leadership Team and let them know.

We are in need of at least one more Little Free Library.

Once the Little Free Libraries are in place, we encourage you to bring your gently used, clean books to put in the library! Let your child choose a book to take home to read! Let's help spread a love of reading to our children!

Shout out to our very own teacher, Mary Lazenby, from ACWLC Clemmons for this

Nominate Your STAR Staff Member!
