## A Child's World Learning Center Condition of Service

Payment for all services provided by A Child's World Learning Center is due and payable in accordance with the current rate schedule on the **first day of each five (5) day work week** for daycare services to be rendered in the current Monday through Friday work week, OR by the **5**<sup>th</sup> **of the month for subsidized services** in accordance with subsidy program guidelines. The mandatory form of payment is Tuition Express. Any other form of payment will require a processing fee. In the event that formal collection shall be pursued, any and all collection fees, including but not limited to reasonable attorney's fees, will be added to the total amount owed and to be collected. When you provide us with a wireless telephone number or landline number you are giving us or a collections agency your prior express consent to call that number.

I certify that I have read and understand my obligations stated in the above paragraph. I further understand that rates/fees incurred by me with A Child's World Learning Center for daycare services are subject to change at any time with **two (2) weeks notice**. I understand that I am responsible for all information sent electronically from the center, pertaining to fees, operations, or my child(ren), and that I have the right at any time to request such communications in hard copy form. I/we agree to abide by all such obligations as stated herein.

# A Child's World Learning Center Financial Agreement

**Registration Fees:** A non-refundable registration fee of \$75 per child or \$100 per family is due upon application for enrollment. An annual renewal fee of \$75 per child or \$100 per family is due by January 15th of each year. If the child withdraws and subsequently re-enrolls, payment of a new registration fee is required.

**Tuition Fees:** The weekly tuition fee (see tuition rate schedule) is due in advance on Monday with no deduction allowed for absences or holidays. Monthly parent fees are due in full by the 5th of each month. Payment is processed via Tuition Express with a credit/debit card or bank account. Any payments that must be submitted by check, cash, or money order are subject to an additional processing fee.

Fee Increases: Fee increases are determined by the financial needs of the program. Families will be given a two-week notice regarding any fee increase.

Late Payment Fees: A late fee of \$35 is automatically added each Thursday to any account with an outstanding balance. If payment has not been received by Friday, the child will be withdrawn until the balance is current. Re-enrollment is subject to space availability and payment of a new registration fee.

**Insufficient Funds:** A \$45 fee plus applicable late payment fees will be charged if Tuition Express is declined or a check is returned for insufficient funds. Late fees continue each week until the balance is current. If this situation occurs, we reserve the right to request certified funds.

Inclement Weather: Because we respect your work schedule, we make every effort to open the center during inclement weather. Should severe weather prevent the center from opening on time, or at all, an announcement will be made on local radio and TV stations, on our website, and/or via parent app. In the event of an early dismissal, parents will be contacted by parent app and/or phone. There will be no tuition credit given for closings due to inclement weather.

Holidays: The center will be closed in observance of the following holidays: New Year's Day, Good Friday, Memorial Day, Juneteenth, Independence Day, Labor Day, Thanksgiving (two days), and Christmas (two and half days). Parents will be notified of any changes in holiday closing schedule.

**Teacher Work Days:** The center will be closed in observance of the following teacher work days: Martin Luther King, Jr Day, day before Good Friday (center closed at 12:00 pm), and Veteran's Day observed. Essential teacher trainings and classroom enhancements are done during this time.

**Special Activity Fees:** Children will have the opportunity to participate in special programs or field trips that may require additional fees which are due in advance of the event. Notices of such events or programs will be posted in advance with the child's participation subject to parent approval. Payment and parent permission must be received by the posted date or the child will not be able to attend the event. The center will not be able to provide care for children not attending the class event due to non-receipt of payment or parent permission.

Child Withdrawal: We recognize that families choose to leave the program for many reasons and that not every situation is appropriate for every child. If you choose to withdraw your child from the program, you must provide two weeks' written notice or make a payment of two weeks' tuition at the time of withdrawal.

Attendance Hours: Our operating hours are from 6:30am to 6:00pm Monday through Friday, unless otherwise specified. Our program is designed to care for children ten hours or less per day. While we believe a longer day is inappropriate for young children on a continual basis, we realize families occasionally have emergencies or scheduling which may require a longer day. As an exceptional occurrence, we will accommodate a departure from d daily:

schedule upon request. In order to allow us to ac	dequately plan for staff, please designate your intended daily:

Signad	Note:

Family/Teacher Relationships: In an effort to prevent any conflict of interest, caregiving and relationships outside of company hours are to be arranged directly between the parent and the employee. ACWLC is not responsible or liable for an employee's conduct or actions outside of the ACWLC work environment. Parents/guardians understand and agree NOT to solicit any ACWLC employee to work as a personal nanny during the time their child(ren) is enrolled in our program and for a period of six (6) months after enrollment is terminated. The term "ACWLC employee" refers to any person paid by ACWLC to provide childcare/education/administrative services. The term "personal nanny" refers to someone that provides childcare/educational services to any child of said parent/guardian during the normal operating hours of ACWLC. Violation of this policy will result in fees charged to parent/guardian to offset employee replacement costs.

**Photograph Notification:** Occasionally we take photographs of children in the center for display purposes, training videos, artwork labels, newspaper publicity, social media/Facebook marketing materials or the company website. Additionally, child care professionals may visit our center for training purposes. Your child may be photographed or observed for training purposes at unscheduled, unannounced times.

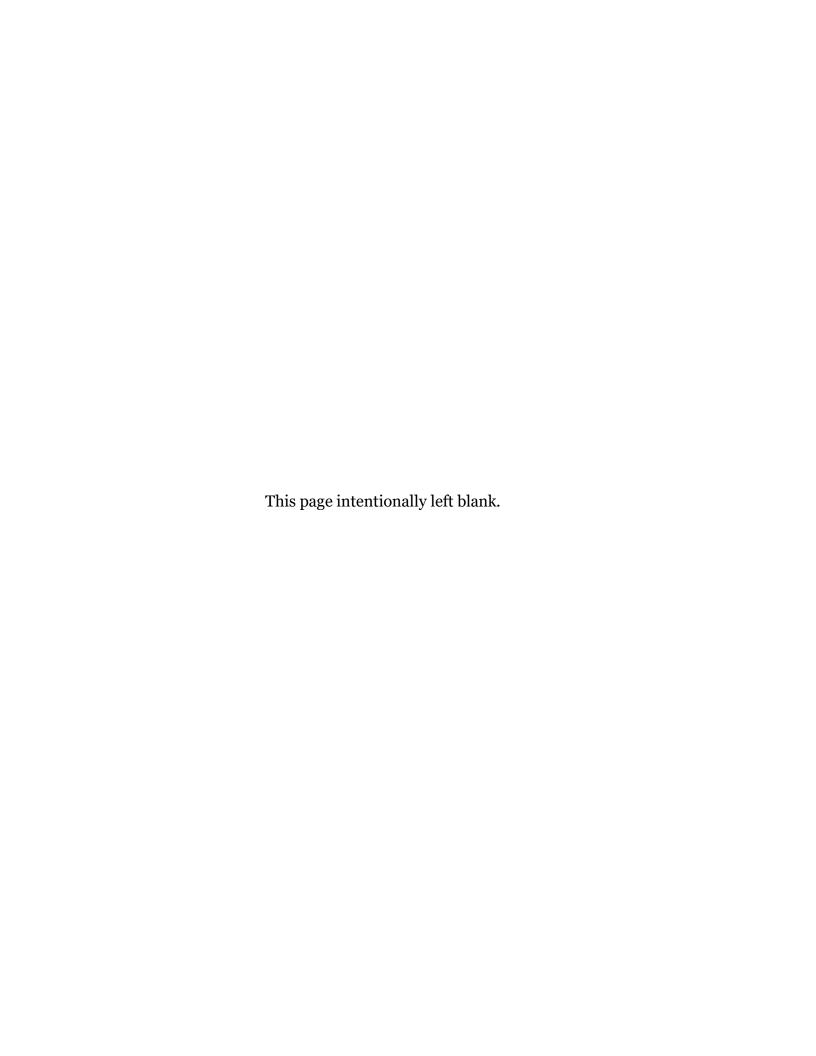

Parent Awareness of Webcam Utilization: A Child's World Learning Center has contracted with Peanut Butter and Jelly TV, L.L.C. to provide the added value of allowing you to view your child in his/her learning environment via webcasting. This benefit extends our "open door" policy so our families can see all the great things happening in their child's classroom. This feature also allows authorized administrative personnel to observe the classrooms to ensure that the highest program standards are maintained. PB&J TV provides industry leading security including timed viewing sessions, encrypted encoding and multiple passwords, and generic viewing only (no bathrooms or changing tables). A Child's World Learning Center and its representatives and employees understands and agrees to abide by all laws, and specifically federal law as set forth by The Child's Online Privacy Protection Act of 1998.

Participation in the Child and Adult Care Food Program: All children enrolled at A Child's World Learning Center must complete initial and annual Child and Adult Care Food Program Enrollment Applications and Income Eligibility forms. Infants must also fill out an Infant Formula Provision form, and children with allergies must complete a Meal Modification sheet. These forms are included at the end of the Enrollment Application and in the Infant Enrollment Packet. Please call the center director with questions.

I agree not to solicit any ACWLC employee to work as a personal nanny during the time my child(ren) is enrolled in ACWLC's program and for a period of six (6) months after enrollment is terminated. I am aware that A Child's World Learning Center utilizes photography and the webcasting services of Peanut Butter and Jelly TV L.L.C, whereby utilizing webcams and/or recordings of my child while in the center for observation/security purposes and give my consent to this activity. I understand that webcams are only available to registered parents for time-restricted real-time viewing as specified. Any recorded video is property of the company and is accessible to members of ACWLC management only, with no exception.

I understand that I will be required to maintain current CACFP documentation at all times.

I understand that ACWLC is a tobacco-free campus.	This includes the parking lot and all company vehicles.

### DISCIPLINE AND BEHAVIOR MANAGEMENT POLICY FOR CHILDREN

A Child's World Learning Centers teaches children three basic concepts: Be Safe, Be Neat, and Be Kind. With these goals in mind, we hope to teach children to avoid danger, to take proper care of themselves and their environment, and to respect the rights of others.

We also believe children have a right to stay free of injury, a right to avoid unnecessary discomfort, and a right to their own possessions. We will try to uphold these rights by teaching and practicing our three goals.

There are many reasons why children make inappropriate choices. These reasons may include, but are not limited to, anger, fear, need for attention, fatigue, frustration, confusion, feeling troubled, boredom, and simply not knowing the appropriate choice.

Teachers should consider and have a clear understanding of these things when establishing classroom guidance, discipline and limits:

- 1. Health and safety issues
- 2. Developmental appropriateness
- 3. Age appropriateness
- 4. Individual appropriateness
- 5. Cultural appropriateness
- 6. Social and emotional appropriateness/needs
- 7. Problem-solving and decision-making techniques
- 8. Respect the dignity of all children
- 9. Transitions will be kept to a minimum

ACWLC encourages teachers to use appropriate discipline techniques to establish a positive classroom environment such as:

- 1. Distraction
- 2. Redirection
- 3. Proximity
- 4. Talking and paying attention
- 5. Setting limits
- 6. Consistency, smooth transitions, no waiting
- 7. Offering interesting activities
- 8. Choices and flexibility
- 9. Establishing relationships
- 10. Positive reinforcement

We will do what we can to ensure a nurturing environment by planning developmentally appropriate activities, arranging the environment so that it is conducive to learning, and working with each child on an individual basis. We will also teach the children what is expected of them through positive reinforcement. Most importantly we will love and nurture them so that they will feel good about themselves.

Based on this belief of how children learn and develop values, this school will practice the following positive discipline and behavior management policy:

### WE DO...

- 1. Praise, reward, and encourage the children.
- 2. Reason with and set limits for the children.
- 3. Model appropriate behavior for the children.
- 4. Modify the classroom environment to attempt to prevent problems before they occur.
- 5. Listen to the children.
- 6. Provide the children with alternatives for inappropriate behavior.
- 7. Provide the children with natural and logical consequences of their behaviors.
- 8. Treat the children as people and respect their needs, desires, and feelings.

### DISCIPLINE AND BEHAVIOR MANAGEMENT POLICY FOR CHILDREN

- 9. Ignore minor misbehaviors.
- 10. Explain things to children on their levels.
- 11. Use short supervised periods of "time-in" (described below).
- 12. Stay consistent in our behavior management program.

### WE DO NOT ....

- 1. Spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish the children. This action could be considered physical abuse by ACWLC and the state of North Carolina.
- 2. Make fun of, yell at, threaten, make sarcastic remarks about, use profanity or otherwise verbally abuse the children. This action could be considered emotional abuse by ACWLC and the state of North Carolina.
- 3. Shame or punish the children when bathroom accidents occur. This action could be considered emotional abuse by ACWLC and the state of North Carolina.
- 4. Deny food or rest as punishment. This action could be considered physical neglect by ACWLC and the state of North Carolina.
- 5. Leave the children alone, unattended, or without supervision. This action could be considered physical neglect by ACWLC and the state of North Carolina.
- 6. Relate discipline to eating, resting, or sleeping. This action could be considered physical neglect by ACWLC and the state of North Carolina.
- 7. Place the children in locked rooms, closets, or boxes as punishment. This action could be considered physical neglect by ACWLC and the state of North Carolina.
- 8. Allow discipline of children by children. This action could be considered emotional neglect by ACWLC and the state of North Carolina.
- 9. Criticize, make fun of, or otherwise belittle children's parents, families, or ethnic groups. This action could be considered emotional neglect by ACWLC and the state of North Carolina.
- 10. Assign chores that require contact with or use of hazardous materials, such as cleaning bathrooms, floors, or emptying diaper pails.
- 11. Require physical activity, such as running laps or doing push-ups, to be completed as a form of punishment.
- 12. Restrain children (holding in any way that limits a child's movement) as a form of discipline when the child's safety or safety of others is not at risk.

If a child's behavior requires that s/he be physically moved, the teacher shall pick him/her up by using both hands securely on the torso. The teacher shall make sure that his/her momentum moves with the child and not against it. If a child is pulling away from a teacher or otherwise being physical in such a manner as to potentially cause harm to him/herself, the teacher, or other children, the teacher shall clear the area of hazards and other people and call center management for assistance.

#### "Time-In"

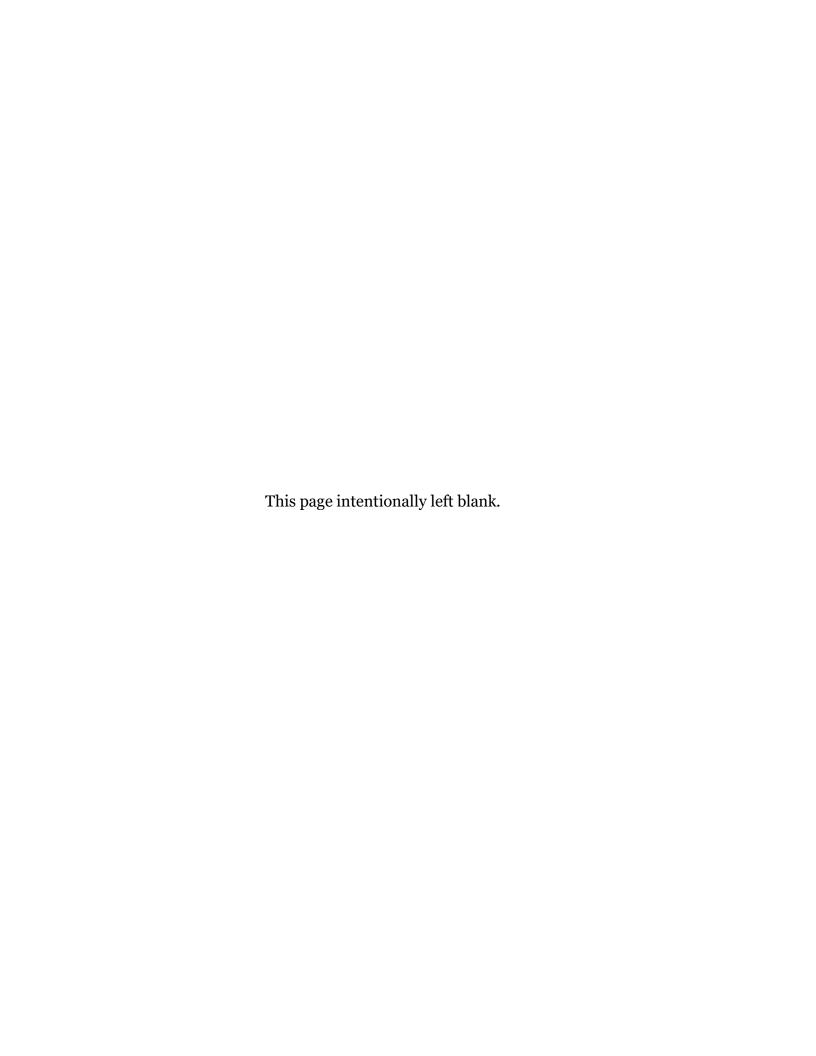

"Time-in" allows a child to calm down, learn how to understand his / her feelings and learn to express those feelings in appropriate ways. Time In is used when a child's behavior is out of control and likely to cause harm to the child, other people and / or things. The Time In space is a designated setting free from distraction, yet visible to teachers, equipped with materials to encourage children to calm down. Routines should be established for Time In that are consistent including allowing the child to calm down, talk about the child's feelings, what caused the feelings and what the child can do differently next time.

I have read and received a copy of the school's Discipline and Behavior Management Policy for Children and th
school's Director (or other designated staff member) has discussed the school's Discipline and Behavior
Management Policy for Children with me.

# PREVENTION OF SHAKEN BABY SYNDROME AND ABUSIVE HEAD TRAUMA POLICY

### **Belief Statement**

A Child's World Learning Center (ACWLC) believes that preventing, recognizing, responding to, and reporting shaken baby syndrome and abusive head trauma (SBS/AHT) is an important function of keeping children safe, protecting their healthy development, providing quality child care, and educating families.

### **Background**

SBS/AHT is the name given to a form of physical child abuse that occurs when an infant or small child is violently shaken and/or there is trauma to the head. Shaking may last only a few seconds but can result in severe injury or even death. According to North Carolina Child Care Rule (child care centers, 10A NCAC 09 .0608, family child care homes, 10A NCAC 09 .1726), each child care facility licensed to care for children up to five years of age shall develop and adopt a policy to prevent SBS/AHT.

### **Procedure/Practice**

### Recognizing:

• Children are observed for signs of abusive head trauma including irritability and/or high pitched crying, difficulty staying awake/lethargy or loss of consciousness, difficulty breathing, inability to lift the head, seizures, lack of appetite, vomiting, bruises, poor feeding/sucking, no smiling or vocalization, inability of the eyes to track and/or decreased muscle tone. Bruises may be found on the upper arms, rib cage, or head resulting from gripping or from hitting the head.

### Responding to:

- If SBS/ABT is suspected, our staff will:
  - o Call 911 immediately upon suspecting SBS/AHT and inform the Director.
  - o Call the parents/guardians.
  - o If the child has stopped breathing, trained staff will begin pediatric CPR.

### Reporting:

- Instances of suspected child maltreatment in child care are reported to Division of Child Development and Early Education (DCDEE) by calling 1-800-859-0829 or by emailing <u>webmasterdcd@dhhs.nc.gov</u>.
- Instances of suspected child maltreatment in the home are reported to the county Department of Social Services.

### Prevention strategies to assist staff in coping with a crying, fussing, or distraught child:

We first determine if the child has any physical needs such as being hungry, tired, sick, or in need of a diaper change. If no physical need is identified, we will attempt one or more of the following strategies<sup>5</sup>:

- Rock the child, hold the child close, or walk with the child.
- Stand up, hold the child close, and repeatedly bend knees.
- Sing or talk to the child in a soothing voice.
- Gently rub or stroke the child's back, chest, or tummy.
- Offer a pacifier or try to distract the child with a rattle or toy.
- Take the child for a ride in a stroller.
- Turn on music or white noise.

### In addition, ACWLC:

 Allows for staff who feel they may lose control to have a short, but relatively immediate break away from the children. • Provides support when parents/guardians are trying to calm a crying child and encourage parents to take a calming break if needed.

### **Prohibited behaviors**

Behaviors that are prohibited include (but are not limited to):

- shaking or jerking a child
- tossing a child into the air or into a crib, chair, or car seat
- pushing a child into walls, doors, or furniture

St	rate	egies t	o assist s	taff members	on understan	ding how to	care for infants:
_	00						

Staff reviews and discusses:

- The five goals and developmental indicators in the 2013 North Carolina Foundations for Early Learning and Development, <a href="https://ncchildcare.ncdhhs.gov/Portals/o/documents/pdf/N/NC\_Foundations.pdf">https://ncchildcare.ncdhhs.gov/Portals/o/documents/pdf/N/NC\_Foundations.pdf</a>

# Strategies to ensure staff members understand the brain development of children up to five years of age

All staff take training on SBS/AHT within first two weeks of employment. Training includes recognizing, responding to, and reporting child abuse, neglect, or maltreatment as well as the brain development of children up to five years of age.

Staff reviews and discusses:

- Brain Development from Birth video, the National Center for Infants, Toddlers and Families, <u>www.zerotothree.org/resources/156-brain-wonders-nurturing-healthy-brain-development-from-birth</u>
- The Science of Early Childhood Development, Center on the Developing Child, developingchild.harvard.edu/resources/inbrief-science-of-ecd/
